“ Just saw this and wanted to send my sincere condolences to all of the Robbins & Griffin families with the loss of Missy. A special condolence to David, Suzanne & Rick. I had written Missy several months ago to let her know of my mother's passing (Scotty Fitting) She was not the greatest for corresponding back in a short amount of time so I didn't think much of it. My family were all old time friends in Indianapolis with Missy - Suzanne & Norma.

We had many fun times at each others homes during some of the summer holidays.

Missy really could and did Light up a room when she entered. Incredibly fun, warm & sweet personality.....we all loved her smile and outlook on life.

Although I had not seen Missy or the family since my college days (early 70's), I always had very fond memories of our times together.

It saddens me so but I wanted you all to know - my family in Indiana who knew Missy and her family have never forgotten her or her wonderful family.

Would love to hear from Suzanne or Rick if they ever want reach out or if they ever come to Indianapolis.

You are all in my thoughts and prayers and may God help you all with the loss of a truly wonderful person and friend.
